## Accommodation Fee Payment Options

There are four methods to choose from to pay for the cost of your accommodation:

<p><b>Option 1</b></p> <p><b>Refundable Accommodation Deposit (RAD)</b> \$425,000</p>	<p><b>Explanation</b></p> <p>A RAD is a single, lump sum payment, in the form of a loan, that is refunded to you or your family when you leave the home, subject to any outstanding fees and any retained amounts. Under this arrangement we will retain 2% of the RAD per year (for up to 5 years, to a maximum of 10%). This amount will not be refunded when you leave care. The remaining balance of the RAD will be refunded to you or your estate.</p>

<p><b>Option 3</b></p> <p><b>Combination Payment</b> For example</p> <p><b>Refundable Accommodation Deposit (RAD)</b> \$212,500 +</p> <p><b>Daily Accommodation Payment (DAP)</b> \$44.30 per day</p>	<p><b>Explanation</b></p> <p>You can choose to pay a combination of RAD and DAP. Your DAP will decrease because you've paid some money up front with your RAD payment. You can choose the % amounts of your RAD and DAP payments. For example, you could choose to pay a single, lump-sum payment that is 60% of the RAD. The balance owing (40% of the RAD) would be covered by a daily, non-refundable payment (DAP).</p>

<p><b>Option 4</b></p> <p><b>Drawdown Payment</b></p>	<p><b>Explanation</b></p> <p>You can choose to pay your DAP out of your RAD contribution. The fortnightly DAP is charged against the RAD balance held and adjusted for interest. When you leave the home, the RAD you paid will be refunded, less: (a) any DAP amounts that have been drawn down, (b) any agreed fees or charges, and (c) any legislated retention amounts. As a new resident, you have 28 days to choose your payment method. If this time expires and you haven't chosen a payment method, you'll be charged the DAP. After you've signed the contract, you can still change your mind about how you'd like to pay within 14 days. You can also change your payment from a DAP to a RAD at any point during your residency, but you can't change from a RAD to a DAP</p>
